## ACCEPTANCE LETTER

Date 25 July 2019

KIBINDA MOUKENGUE

Dear Mikhael Presley,

### Successful application to AIMS Senegal

Congratulations! We are very pleased to inform you that, following a rigorous review of your application, you have been accepted to attend the fully-funded, one-year structured Master's Program in Mathematical Sciences at AIMS Senegal for the 2019/2020 academic year. The program starts on September 2<sup>nd</sup> 2019.

### Conditions

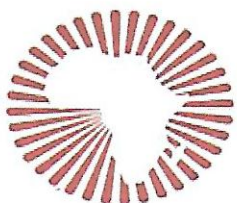

This offer is subject to the reception, no later than August 06, 2019 of:

1. A signed acceptance letter (this document). To accept this offer, please sign on page 2.
2. Scanned certified copies of your academic transcripts and certificates. You are also required to bring your original university transcripts and certificates when you join the program.
3. Students attending AIMS are supported through grants and donations made by a range of organisations with different requirements. Please, see the separate letter for details of the financial assistance, which AIMS is offering you. You will need to sign the offer of financial assistance letter and return it to us along with your signed letter of acceptance.
4. During the entire duration of your stay, AIMS Senegal will provide you with a desktop PC and as such, we highly recommend you to bring your own laptop

The above-mentioned documents should be scanned and emailed to [admissions@aims-senegal.org](mailto:admissions@aims-senegal.org) as soon as possible (no later than August 06, 2019). Should you fail to respond by this date, your offer will be withdrawn.

### Logistics

Once we have received the required documents, we will send you a full admission package, including information on travel, visa requirements, health insurance, and accommodation.

# AIMS

African Institute for  
Mathematical Sciences  
**SENEGAL**

Please make sure that you have a passport that is valid throughout 2019/20. Send a scanned copy of your passport (saved under your full name) to [academic-support@aims-senegal.org](mailto:academic-support@aims-senegal.org). You will also be required to obtain a police clearance report from your home country (no more than three months old) before travelling to AIMS.

Upon arrival at Blaise Diagne International Airport, the AIMS Senegal team will welcome you and bring you to the centre. Please note that at AIMS Senegal you will be sharing your room with another student. A deposit of 50.000XOF that will be returned to you at the time of your departure is required.

## Academic information

All courses at AIMS Senegal will be taught in English or French. Throughout the program, AIMS offers English and French language training to support students who are not proficient in one of the languages.

We recommend that you familiarize yourself with the scientific programming language, Python and the document - preparation system LaTeX. We also recommend that you improve on your typing skills.

## Contact person

General information about the AIMS program can be found on our website at [www.aims-senegal.org](http://www.aims-senegal.org). Do not hesitate to reach out to your contact person, should you have any questions. Your contact person is the Academic Program Administrator.  
Email: [jmseck@aims-senegal.org](mailto:jmseck@aims-senegal.org)

We look forward to welcoming you to AIMS Senegal!

Sincerely,

Prof. Franck Kalala Mutombo  
Academic Manager, AIMS Senegal

Youssef Travaly, PhD, MBA  
Centre President, AIMS-Senegal
